 - 256 GB Solid State Drive (SSD)
 - 8 GB DDR3, 2-USB 3.0 port, 1-miniDisplayPort, 1-3.5mm headphone jack.
 - 720p HD camera
- **Technical Volunteers** - Volunteers with technical backgrounds (AI, IT, software, cybersecurity, data science) to serve as career panelists, tutors, mentors, etc.
- **Non-Technical Volunteers** - Non-technical volunteers to serve as workshop facilitators and/or event support.
- **Warm Introductions** - Open your network to Hack the Hood and facilitate warm introductions to other funders, employers, hiring managers, etc.
- **Monetary Donations**
 - **\$800** - Sponsor one student in our 12-week training program (*includes \$500 learning stipend and \$300 laptop*)
 - **\$500** - Cover one student's learning stipend for completion of their technology training program
 - **\$300** - Cover the cost of one laptop for a student in our training program
 - **\$50** - Cover the cost of meals and transportation for one student in our program
