## Opportunity Junction Wish List

**Donations for Client Needs:** When students don't need to worry about meeting their most basic needs, they can focus more clearly on school and work. You can help by donating the following:

- **Gas cards or bus passes**—help with transportation costs during training
- **Hotel vouchers**—occasionally, a student loses housing during training and needs temporary shelter until they can find employment
- **Gift cards**—Target/Amazon/Walmart gift cards in any increment for students' basic needs as well as professional clothing
- **Toys**—for children of our current students and alumni, distributed at our holiday party
- **Healthy food**—snacks, nonperishable, microwaveable meals
- **Study supplies**—highlighters, index cards, small notebooks

**Volunteer Opportunities:** You can help students prepare for the work world. Let us know if you or someone you know could help our students get started in their careers.

- **Career Skills**—Promote confidence for real life interviews by participating in mock interviews and give constructive criticism to help students develop their interviewing skills.
- **Internship and Employment Opportunities**—We're looking for potential employers who might provide internships and/or jobs to our students and graduates.
